- 100 gr caster sugar
- 100 gr self-raising flour
- 2 eggs
- ½ teaspoon vanilla extract

For the icing:
- 160 gr soft margarine
- 120 gr icing sugar
- Food flavouring and colouring (optional)

Kitchen scales
- Baking bowl
- Spoon measure
- Wooden spoon
- Sieve
- Muffin tin
- Paper cases
- CM cupcake toppers

Method

1. Preheat the oven to 200C/Gas 6.
2. Mix margarine and sugar together until fluffy. Add eggs, then vanilla essence.
3. Fold in flour and mix well. Divide mixture between 12 cupcake cases.
4. Bake for 15 minutes. Allow to cool before icing.
5. For the icing mix sieve icing sugar with soft margarine. Add food flavouring or colouring as desired. Then pipe or spread icing on to the cakes.
