

The United States Society for Augmentative and Alternative Communication (USSAAC) is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. This program is offered for up to 4.1 CEUs (Various Levels: Professional Area). ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

An annual ASHA CE Registry fee is required to register ASHA CEUs. ASHA CE Registry fees are paid by the participant directly to the ASHA National Office. The annual ASHA CE Registry fee allows registration of an unlimited number of ASHA CEUs for the calendar year. Contact the ASHA CE staff at (800) 498-2071 ext. 4219 for CE Registry fee subscription information.
