Using Snap Core First and Boardmaker

What is Snap Core First?

- A symbol-based alternative and augmentative communication (AAC) software from Tobii Dynavox
- Appropriate for all ages – anyone who is still developing language and benefits from the use of picture symbols to communicate and learn language
- Combines a core-word strategy with tools that support engagement, literacy, and growth
- Includes core words, quick fires, topics, and keyboards for efficient and effective communication
-

Benefits of Using Snap Core First and the Boardmaker Player

- Integrated into Snap Core First
- Increased communication opportunities
- Accessible free activities including a bookshelf, accessible math tools, and emergent games
- Customized Boardmaker activities can be uploaded to the Player through myBoardmaker.com (coming soon)
