

Web-based Supports for Pre-Service and In-Service Education in AAC

*Presented by
Dr. David McNaughton*

Tuesday, October 3, 2017
7:00-8:00 pm EDT

ASHA CEUs available for FREE to USSAAC/ISAAC members only.
For non-members, ASHA CEUs are available for \$25 for each webinar.

SEMINAR DESCRIPTION:

This session will provide an update on the training and dissemination activities of the RERC on AAC. We will describe currently available materials, as well as the development of a Massive Online Open Course (MOOC), which will provide free online modules on AAC. The presentation will include a review of work to date, as well as an opportunity for participants to influence future development activities.

PRESENTER BIO:

Dr. David McNaughton teaches classes on augmentative and alternative communication (AAC), assistive technology, and professional communication skills at Penn State University. His current research interests include the development of vocational opportunities for individual with severe disabilities, and literacy instruction for children with complex communication needs (CCN). He is co-director of dissemination and training activities for the RERC on AAC (<https://rerc-aac.psu.edu/>)

MODERATED BY: Amy Goldman

PARTICIPANTS WILL LEARN:

- The topics and formats for web-based learning materials currently provided by the RERC on AAC
- The topics and formats for web-based learning materials currently under development by the RERC on AAC
- How to contribute to the development of new web-based materials in the future

TIME ORDERED AGENDA:

5 Minutes: Introduction of Speaker, USSAAC and topic

5 Minutes: AAC Information resources: strengths and Needs

20 Minutes: Information resources currently available from the RERC on AAC

20 Minutes: Instructional materials currently under development by the RERC on AAC

5 Minutes: Planning for the future

5 Minutes: Q &A

American Speech-Language-Hearing Association (ASHA) CEUs in speech-language pathology and audiology are awarded by the ASHA CE Registry upon receipt of the CEU Participant Form from the ASHA Approved CE Provider, USSAAC. about USSAAC

The United States Society for Augmentative and Alternative Communication (USSAAC) is the national chapter of the International Society for Augmentative and Alternative Communication (ISAAC). As the United States' only non-profit organization dedicated to supporting the entire AAC community, USSAAC provides an invaluable role, working to ensure that individuals who could benefit from AAC have access to the technology and services they need.

Benefits of membership include, but are not limited to:

- Free access to USSAAC webinar series with ASHA CEUs and USSAAC Twitter chats
- Advocacy for maintaining & expanding access to AAC systems and services
- Discount to 2018 ISAAC Conference – Australia
- SpeakUp publication/Blog
- Information updates on USSAAC website & social platforms
- Membership in ISAAC with their additional benefits
