BUILD BOOK DONATIONS PROGRAM AT ISAAC 2014

We will be distributing donated books, resource manuals, training DVDs or videos to ISAAC members from developing countries at the ISAAC BUILD meeting in Lisbon on Wednesday, July 23rd.

If you have AAC books or other related material that you no longer use, this is your chance to clean off your shelves and make valuable resources available to others at the same time! By donating resource material, you will be directly supporting the growth of AAC throughout the world.

You can either drop off your donations at the ISAAC booth in the Exhibit Hall or send us a list of the books or other materials that you are able to offer. At the ISAAC BUILD meeting on Wednesday, July 23rd in Lisbon, we will make this list available to people from developing countries. They will each be invited to draw the name of one book that they would really like to receive. We will then match you to the person from the developing country and ask you to mail the book directly to that person, via surface mail, to save costs.

For further information, contact the 2014 BUILD Book Donations Program Committee:

THE SILENT AUCTION AT ISAAC 2014

Organized and led by the Friends of ISAAC, a Silent Auction is held at each ISAAC biennial conference to raise funds to support people who use AAC who wish to attend the next international conference. We are looking forward to hosting yet another successful auction in Lisbon.

Can you bring an item to donate? If you are able to let us know, it will help us to plan the space; it would be most helpful to know by June 30th. However, if you are not able to let us know, it doesn't matter. It's never too late to slip something into your suitcase!

Even if you won't be able to attend, you can help by publicizing the Silent Auction through Twitter or Facebook. Some of you already have (thank you!).

For further information, please click here or contact the 2014 Silent Auction Committee:

More to do at ISAAC 2014...

Be sure to visit the Exhibit Hall when you have some spare time between session at ISAAC 2014. And while you are there, please drop by the ISAAC Booth to make a bid at the Silent Auction and to say “hello” to staff and volunteers at the booth.

To enter a draw for our exciting prizes, visit the ISAAC booth once each day during the main conference. We will scan your badge and you will be automatically entered to win. Please note that by scanning your badge to enter our draw, you are providing ISAAC with permission to share your contact details with our exhibitors and/or sponsors.
