RE: New Professionals' Travel Assistance Grant for Attending the ISAAC 2018 Biennial Conference – Sponsored by AssistiveWare®

ISAAC and AssistiveWare® are pleased to announce that funding is once again available for new professionals in the field of augmentative and alternative communication (AAC) to attend and participate in the ISAAC Biennial Conference. ISAAC Conference 2018 will be held on the Gold Coast, Queensland, Australia, between July 21st – 26th, 2018.

ISAAC and AssistiveWare® recognize the need to provide incentives to new or recent graduates working in professional fields related to AAC – including Speech-Language Pathology, Special Education, or Occupational Therapy (or equivalent in the applicant's country) – to benefit from international education and networking opportunities. Providing financial support that allows them to attend ISAAC conferences is an important aspect of ISAAC's ongoing work in the field of AAC.

Although we are unable to provide successful applicants with 100% funding to attend Conference 2018, we will carefully evaluate all submissions and provide financial assistance for up to three (3) applicants as follows:

- One (1) CAD \$500.00 grant in support of a New Professional from Australia and neighbouring countries; and,
- Two (2) CAD \$750.00 grants in support of New Professionals residing elsewhere in the world.

Please complete and submit the attached form and provide supporting documentation by email to Franklin Smith, ISAAC Executive Director franklin@isaac-online.org, by 22:00 GMT on December 15th, 2017. Applicants will be advised of the outcome by February 23rd, 2018.

We look forward to receiving your application and welcoming you to the Gold Coast in 2018!

Yours sincerely,

Gregor Renner
ISAAC President 2015 – 2018
