

## POSTER AUDIO-VISUAL PRESENTATION

ISAAC Conference 2016 is pleased to offer, for those submissions allocated as a poster session, the opportunity to present material in an audio-visual format.

**If you do not wish to present your poster session using audio visual equipment, there is no need to complete and submit this form.**

If you wish to present your materials using a notebook/laptop or tablet device, ISAAC Conference 2016 will ensure sufficient presentation space at the conference venue and access to electricity. Poster presenters are required to provide their own electronic equipment (ie. Notebook/Laptop or tablet ONLY). Also, please ensure that you provide headphones for any audio portion of your presentation.

If you are arriving to ISAAC Conference 2016 from outside North America, you will need to ensure that your device has the proper plug and electrical adapters (**Type A or Type B**) to use the North American electrical grid standard (<http://www.iec.ch/worldplugs/>).

**Please note that this completed form needs to be submitted no later than July 8<sup>th</sup>, 2016. All forms are to be submitted via file upload to your submission folder on DropBox. Please follow these instructions:**

1. Download a copy of this form from the ISAAC website, and save it locally on your computer. Please note to leave the name of the pdf file unchanged.
2. Complete all sections below, and resave this pdf file, again leaving the name of the file unchanged.
3. Upload the completed pdf file to your submission folder on DropBox.

**Yes, I would like to present my poster session using audio-visual equipment (a notebook, tablet, or similar device), and will be bringing this equipment with me to the conference in Toronto. I will also provide headphones for the audio portion of my presentation, as required.**
