

Communication Partner Influences on Aided AAC Use by Adults with Complex Communication Needs: Surveying users to gain their perspectives

Do you **use** Augmentative and Alternative Communication (**AAC**) to communicate?

You're invited to participate in a **research project!**

We want to hear **what supporters can do to help** adults **use AAC** and **participate socially.**

What Will You Do?

You will complete a **survey.**

You need **internet** and a **smartphone, tablet, or computer.**

	1	2	3
1	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
4	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Who can Participate?

- Adults 18+
- Use AAC (electronic or not) some or all of the time
- Understand English
- Have congenital disabilities or communication challenges present from birth or early childhood

Support needs?

- The survey will be **easy to read**
- You can **ask a supporter** for **help** filling it out.
- **Print** out the included **scales** to **help answer** questions.
