

Report from Brazil

First Angelman Family Gathering, September 2016

Carolina Aguiar, mother of a 8-year-old girl who uses AAC and a member of the board of ISAAC-Brazil, privately decided to rally a group of mothers and held a family event named “1 Encontro de Famílias de Angelman’ (First Angelman Family Gathering - 3th September 2016) focused specifically on AAC. At this event, mothers shared their experiences with communication development with their children and recent findings on medicine and the law regulating the health insurance system with respect to Angelman’s - <http://www.encontroangelman.com>

ISAAC-Brazil had the privilege of taking part in this initiative, aiming at increasing in the near future its participation in a wider circle of associations across the country.
