

III Regional Meeting of Augmentative and Alternative Communication ISAAC-Brasil

GRACE CRISTINA FERREIRA-DONATI,
SLP, PhD – ISAAC-Brasil Member and
III Regional Meeting of Augmentative and
Alternative Communication ISAAC-Brasil
Co-Chair

ELIANA CRISTINA MOREIRA, SLP, M.S.
– President of ISAAC-Brasil and III Regional
Meeting of Augmentative and Alternative
Communication ISAAC-Brasil Co-Chair

The event was held on November 19, 2016, from 8:00 AM to 6:00 PM at the Antonio Manoel dos Santos Amphitheater (Room 1), UNESP Bauru, São Paulo.

The goal of the event was to promote awareness and discussion of AAC resources and strategies, and to share the most current scientific advances in the area, involving students and professionals in Education and Rehabilitation, people with disabilities and their families.
