Augmentative and Alternative Communication

ISAAC Film Festival Cancun

Did you already know about the international film festival in Cancun Mexico, which will be organized by ISAAC?

Do you also want to participate and show your own film in Cancun-Mexico? Then you can submit your film until 10-6-2023. Tell your story from your spot of the world in a short movie, vlog, docu or TikTok. Create this yourself or with others, with friends, family or your classmates. It can be about big or small topics such as your favorite dish, day out, your home, your school, activity, band, or just your personal story. You can add and combine it with your AAC modes, for example your Speech Generating Device (SGD) or other AAC techniques, methods or modes such as gestures, icons, music, drawings, manual signing, written/spoken language. You can use a phone, tablet or camera or your voice computer. It is all about your story!
